

Important collection information for small businesses and 'apartments above commercial' in the Etobicoke community during the labour disruption:

Waste collection (garbage, recycling, organics) for small commercial businesses normally receiving collection through the City's Yellow Bag Program and residential apartments located above commercial businesses **is cancelled** for the duration of the labour disruption.

If the need arises, Yellow Bag customers and apartment residents may deliver their waste to a transfer station or a temporary garbage drop-off site free of charge. There is no need for businesses to use a yellow bag. When bringing material for drop-off, **combine organics and other garbage together and place in securely tied, regular size double plastic garbage bags.**

Please store recyclables, bulky items, white goods during the disruption.

For a list of transfer stations and temporary garbage drop-off sites, including a map and hours of operation, go to the City's website at www.toronto.ca and click on the link: How the strike affects City services. Information is also available from Access Toronto 24/7 at 416-338-0338.

Thank you for your patience and cooperation during this time.
