## The West Mall Reconstruction The Queensway to 150m North of Paxman Road

Expected Start Date: September 30, 2009  
Estimated Completion Date: July 31, 2010

The City of Toronto, Technical Services Division will commence the reconstruction of The West Mall from The Queensway to 150m north of Paxman Road.

### Construction Details

- Complete reconstruction of pavement from The Queensway to 150m north of Paxman Road.
- New sidewalk on the west side of The West Mall and replacement of sidewalk on the east side where required.
- Also included is the replacement of all street lighting.
- One lane of traffic in each direction will be maintained at all times.
- Access to side streets and parking areas will be maintained
- Pedestrian access will be maintained.
- TTC bus service will be maintained but bus stops may be temporarily moved to accommodate construction work.

### Staging

- Road work will commence on the northerly portion between Waulron Street and the north limit of the contract.
- Replacement of all street lighting will also start immediately.
- Road work south of Waulron Street will commence in the Spring 2010 when weather permits.

### Contractor

- The Contractor is Il Duca Contracting Inc. Their 24 hour contact is Walter Pannia, Manager and can be reached in case of emergency at (416) 258-3010 (cell) or (416) 679-0888 (office).

### Work Hours

- The contractor will work from 7:00 a.m. to 7:00 p.m. - Monday to Friday. Weekend work may be necessary at some entrances to maintain access.
