GETTING THINGS DONE FOR ETOBICOKE - LAKESHORE

## IMPORTANT UPDATE

### for STEPHEN DRIVE RESIDENTS ROAD RECONSTRUCTION COMPLETION TIMELINE

I have been contacted by a few residents on your street, inquiring about the status of the Reconstruction of Stephen Drive and asking when the work will be completed. In order to get the same messaging to each homeowner, I am personally delivering this update to each effected home.

The contractors for Bell Canada have just recently relocated the cables on the west side of Stephen Drive. This cable relocation work was requested by the City in April. Although this work is not yet 100% complete, the City has paved temporary asphalt in your driveways and at certain locations of the walkway along Stephen Drive. Following the completion of remaining Bell work in the near future, the Bell contractor will be placing additional temporary asphalt where needed at their work locations.

In Spring 2009, the City contractor will return to Stephen Drive to complete the remaining sidewalk, driveway and boulevard work. As well, the laneway off Stephen Drive opposite Waniska Avenue will be paved with asphalt after the old hydro pole is removed.

Both myself and the City's Project Engineer will continue to monitor this project to ensure that the work is completed as a priority in the Spring. I do appreciate your understanding and patience during this long process.

I have recently updated my website, [www.petermilczyn.com](http://www.petermilczyn.com), I hope you will take a moment to visit the site. If you have not already done so, I also encourage you to join my e-update mailing which provides invaluable information about issues in our community (there is a sign-up on my website's homepage).

If however, you have questions and would like to discuss this further, please email or call me at [councillor\\_milczyn@toronto.ca](mailto:councillor_milczyn@toronto.ca) or **416-392-4040**.

Sincerely,
