

Good Food Box Program

Interested in:

- receiving quality produce at an affordable price
- supporting local farmers
- enjoying a variety of fresh fruits & vegetables

The Stonegate Community Health Centre is running the Good Food Box program starting January 2010.

The Good Food Box runs like a large buying club. Individuals place box orders with Stonegate CHC staff and receive a box brimming with fresh, tasty produce.

For more information about the program or to receive a Good Food Box, please contact Julia at julia.graham@stonegatechc.org or 416.231.7070 ext. 229.
