COUNCILLOR, ETOBICOKE - LAKESHORE WARD 5

GETTING THINGS DONE FOR ETOBICOKE - LAKESHORE

## INVITATION to NEIGHBOURHOOD MEETING

**Subject:** Fairfield Greenspace – Future Improvements  
& Community Fundraising Ideas

**When:** Thursday, June 16, 2011  
6:30 p.m.

**Where:** Fairfield Seniors Centre, 80 Lothian Avenue

The West Kingsway Ratepayers Association contacted me, and at their last Board meeting discussed their fundraising plans for playground equipment in the park (swings or playground structure, etc) with me. I have decided to host a neighbourhood meeting to get input from everyone in the area, find out what the community's needs for this park are, and get your thoughts on potential future improvements.

Please take the time to attend this meeting on June 9th so that we can work together on a plan for improving your local park. **Your input is appreciated.** Please feel free to contact my office if you require any information prior to this meeting or can't attend and wish to make your ideas known to myself and Parks and Recreation Landscape Architect/Planning Staff.

Don't forget to register to receive my monthly Ward e-News at [www.petermilczyn.com](http://www.petermilczyn.com) for information on local events, community meetings, City news, and what's happening in your ward.
