INVITATION to NEIGHBOURHOOD MEETING

Subject: To Discuss Upgrades to Queensland Park

When: Tuesday, May 3, 2011
6:30 p.m.

Where: Royal Canadian Legion, 110 Jutland Road

I have been contacted a few residents in your neighbourhood, who are interested in fundraising for playground equipment in the park (swings or playground structure). I have decided to host a neighbourhood meeting to discuss the community's needs and get thoughts on potential improvements to Queensland Park.

Please attend on the 3rd to discuss your ideas and work together a plan for improving your local park. **Your input is appreciated.** Please feel free to contact my office if you require any information prior to this meeting.

Don't forget to register to receive my monthly Ward e-News at www.petermilczyn.com for information on events, City news, and what's happening in your ward.
