## Park Lawn Road Storm and Sanitary Sewer Replacement

Project Start Date: March 22, 2010  
Expected Project Completion Date: July 2010

The City of Toronto, Technical Services Division will be replacing the storm and sanitary sewers on Park Lawn Road from Lake Shore Boulevard to The Queensway as part of the Capital Works Program.

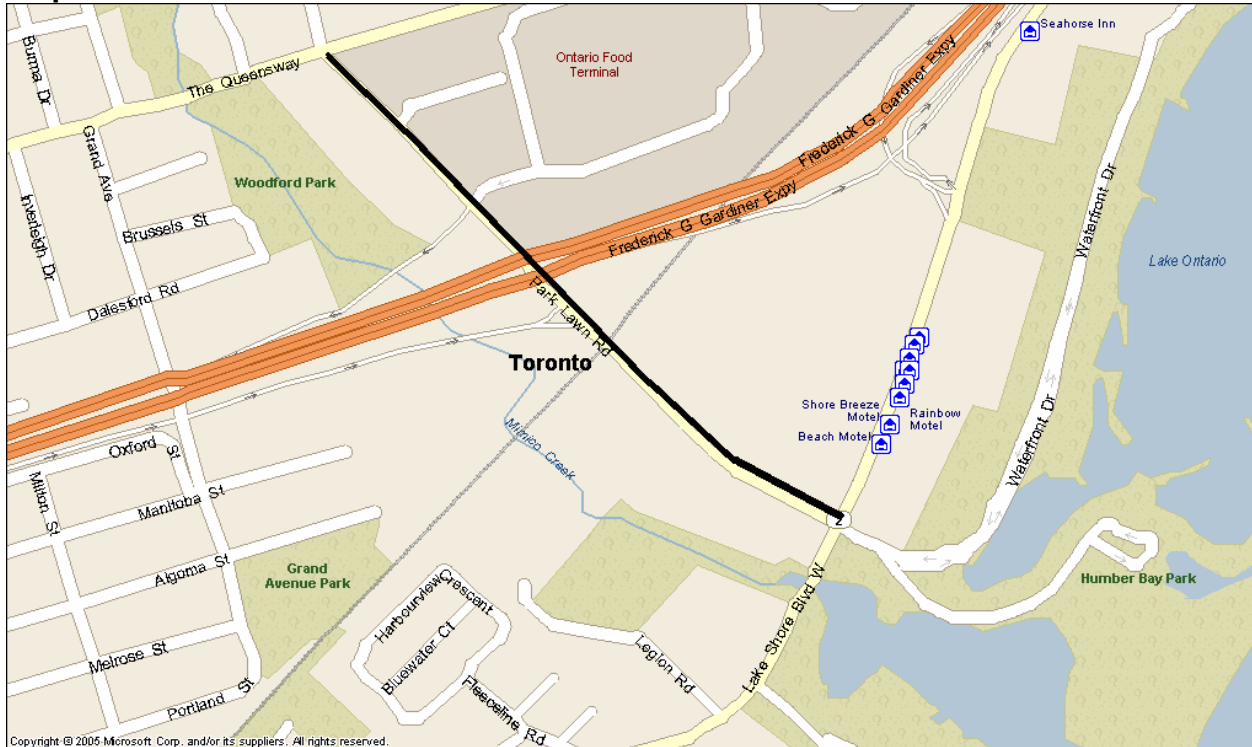

### Construction Details

- Scope of work includes traffic control, replacement of the storm sewer including maintenance holes and lateral connections to catchbasins, replacement of the sanitary sewer including maintenance holes and laterals and reinstatement of the roadway and boulevards. A sketch illustrating the overall project area is attached.
- 

### Traffic, Pedestrian and Emergency Vehicle Access

- Traffic on Park Lawn Road will be reduced to one lane in each direction. Turning movements will be maintained as much as possible. Pedestrian and emergency vehicle access will be maintained at all times.
