

WKRA GREEN EVENT!

Tuesday April 7th at 7pm

Please join your neighbours in learning about Gardening for Songbird Conservation with Speaker, Christina Sharma. Christina is the founder of [Project CHIRP](#). (*Creating Habitat in Residential areas and Parkland*)

At this event you will:

- *Visually tour the first Canadian Wildlife Federation certified backyard songbird habitat.
- *Learn how to plan for a songbird garden.
- * Discover planting styles that attract songbirds.
- *Learn what native species to incorporate in your garden
- * Find out about appealing songbird water features.
- * Find out how to shop for songbirds and discover how to certify your garden as a songbird habitat with the CWF.
- *Receive a CWF garden planner and 2 songbird ID posters.

To find out more about Christina Sharma and Project CHIRP go to <http://www.projectchirp.com/>

This event is FREE to all members and residents of the WKRA!! Would you like to know more about the WKRA? Go to www.thewkra.blogspot.com

Please join us on **Tuesday April 7th**
from 7-8:30 pm at
Avalon Woods Health Club

1000 Islington at Titan
(McDonald's plaza)
